

code4lib 2018 Washington D.C.

Code4Lib a community of developers and technologists for galleries, libraries, archives, and museums (GLAM). Our 2018 conference will be held in Washington, DC.

By sponsoring the conference, you can help level up GLAM technology!

The Code4Lib Conference is ...

- Single-track
- Growing — we expect 450 attendees this year from academic libraries, public libraries, archives, museums, and library nonprofits
- An amazing opportunity for education and information exchange, with dozens of presentations and preconferences
- A good place to meet both practitioners and IT managers — 15% of attendees last year were department heads
- Gender diverse — 42% of attendees last year were women

Sponsorship opportunities include...

- General and targeted sponsorships
- Diversity scholarships
- Exhibitor tables located in a high-traffic area

Benefits of sponsoring include...

- Recognition
- Access to GLAM technologists... one of whom may be your next hire
- New ideas and innovations
